Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:

- Hilltops/high places
- Isolated trees
- Golf carts
- Wire fences

OLD WHITE TPC TIP OF THE DAY

When practicing or warming up prior to play, ALWAYS lay 2-3 long irons on the practice turf to confirm your foot alignment and swing path to the intended target and check them often as they can move during your practice. Consistent practice will make for more consistent ball striking. Start with a few warm up shots with your best clubs to keep your confidence. Then apply the balance of your time to short game practice.
