Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:

- Hilltops/high places
- Isolated trees
- Golf carts
- Wire fences

OLD WHITE TPC TIP OF THE DAY

Bunker Play – the key is to take a long flowing swing. From the practice bunker, start by perching a few balls up on a "sand tee". Once your confidence is gained by lofting a few teed up sand shots, lower the "sand tee" until the ball is laying flat on the sand. Now with your confidence up, your swing should be long and flowing and the loft of your sand wedge will do the work.
