Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:

- Hilltops/high places
- Isolated trees
- Golf carts
- Wire fences

OLD WHITE TPC TIP OF THE DAY

Allow ample time to stretch and limber up before striking your first practice shot or game shot. Swing two wedges to help stretch your back and neck muscles. Tom Watson likes to start his warm up with a long iron, taking very light swings with the intended distance only 60% of a normal shot (you might go for the 100 yard target flag with a four iron that might normally go 180 yards). This exercise gets you into a turning motion and rhythm and holding the club with extra light grip pressure.
