Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:

- Hilltops/high places
- Isolated trees
- Golf carts

OLD WHITE TPC TIP OF THE DAY

Putting - Lay your wedge or chipping club five feet behind a hole on the practice putting green and from 40 feet putt six balls in rapid succession to gently "tap" the club shaft laying at right angles to your putting line. This will help you develop the "feel" of your lag putting and promote getting the ball to the hole. For the Old White TPC, you might want to do this drill with putts that have breaks of six feet or more, versus level or straight uphill or downhill.
