Inclement Weather Policy For Spectators

Spectators will be alerted to weather that officials for the tournament identify as potentially dangerous. Weather warnings will be broadcast on the electronic leader boards that are located throughout the golf course. Spectators should take appropriate precautions upon observing any weather warnings.

A prolonged blast on an air horn, repeated once, will indicate that tournament play has been suspended, and all attendees should seek safe shelter immediately. Two short blasts of an air horn, repeated once, will indicate play has resumed.

Avoid the following:

- Hilltops/high places
- Isolated trees
- Golf carts
- Wire fences

OLD WHITE TPC TIP OF THE DAY

The key for Hole No. 18, "Home", is to pick the right club. The prevailing wind is right to left (and often helping slightly) but the large oaks near the tee swirl the wind and makes it feel like it is in your face. Any shot long of the green has little chance to recover for par, while a short shot leaves the challenge to navigate the large half-moon ridge through the middle of the green. Whatever read you have on your putt, it will be influenced towards the Meadows course first tee slightly more than what your eye will see.
